

Dear Parish School of Religion Parents,

This mailing gives you an opportunity to re-register by mail for PSR. Early registration allows us to obtain the materials and catechists necessary for the program.

***Please fill out the re-registration form carefully.
We need accurate contact information on file for emergencies.***

Please return your registration form and volunteer form in the mail or in the collection basket. Registration weekend will be August 3/4 after masses. You may register your first grade student on the re-registration form. We will need a copy of the child's baptismal certificate or indicate your the child was baptized at St. Nicholas. **No unregistered student will be put in a class the first day of PSR. A late fee of \$25.00 per student will be assessed, if you register after Aug 18.**

St. Nicholas PSR has been blessed with wonderful people who have volunteered to teach. Some people are professional teachers, others are not. Most people are reluctant to consider teaching because they fear they do not know enough or worry about weekend commitments. Please consider this important ministry. Your involvement will teach your child how much you value your faith.
